

AWH Onlineshop - easy, fast, flexible!

The AWH onlineshop at <https://awh.eu/shop/en/> offers a large selection of products ranging from connections and pipes/fittings to product recovery, mixing, cleaning and valve technology. Discover and order over **22,000 products 24 hours a day, 7 days a week** at your **workplace or on your smartphone** directly on the construction site.

Your way to your first online order:

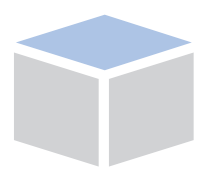

Thanks to **intuitive navigation** and **user-friendly display** via the latest browsers (Chrome, Edge), orders can be placed easily, quickly and flexibly. The AWH online shop provides additional intelligent functions for the sustainable optimization of your work processes:

Optimized search

Our search filters, suggest fields via the search field and clear article tables ensure an optimized search and efficient ordering.

3D models for download

Experience our products as 3D models. Download them easily to get a better understanding of the products.

Consignment warehouse function

Optimize your warehouse stock. Maintain an overview of your stocks and ensure a smooth supply chain at all times.

For information on other online services such as the buyer cockpit, article comparison, quick and special ordering, document download, OCI connection and much more, please visit: <https://awh.eu/en/online-services.html>
